Chromcraft introduces Kitchen Decor Dining

Mix 'n match Chairs and Tables to create a dining set that meets your needs.

Kitchen Décor offers six chair designs, each in a choice of four metal finishes; Black Nickel, Stainless Steel, Shiny White, or Matte Black. In addition each chair is available in a broad assortment of custom fabric upholstery; many of which are today's "Performance" covers, that are impervious to spills and stains. All Kitchen Décor chairs offer deep seating comfort with "Memory Foam" seating and soft wheel casters to provide easy rolling on any floor.

Kitchen Décor features three tables shapes; Square-Round, Round, and Clipped Corner. Each feature durable "family friendly" high pressure laminate table tops in Driftwood and Smoke finishes. These extension table tops use easy close cable driven ball-bearing table slides. And feature Internal wood banding, and solid brass alignment pins.
