Chromcraft introduces Metalcraft Dining

Mix 'n match Chairs and Tables to create a dining set that meets your needs.

Metalcraft offers two chair and two stool designs, each in a choice of three metal finishes; Gray, Aged Iron, or Matte Black. In addition each chair/stool is available in a broad assortment of custom fabric upholstery; many of which are today's "Performance" covers, that are impervious to spills and stains. All Metalcraft chairs offer deep seating comfort with "Memory Foam" seating and soft wheel casters to provide easy rolling on any floor.

Metalcraft features two tables shapes; Square-Round, and Round. Each feature durable "family friendly" high pressure laminate table tops in Driftwood and Smoke finishes. These extension table tops use easy close cable driven ball-bearing table slides. And feature Internal wood banding, and solid brass alignment pins.
